MEMORANDUM FOR: Deputy Director of Central Intelligence

SUBJECT: Facilities and Incentives for Assignees to [REDACTED]

REFERENCE: DDS Memorandum of 6 April 1965 to DDCI, same subject
(copy attached)

25X1A6b

1. This memorandum suggests action on your part in paragraph 4.
2. Referent memorandum authorized the following incentives for [REDACTED] employees for the balance of the calendar year 1965:
 - a. A 10 per cent salary differential in addition to the 25 per cent authorized by the Standardized Government Allowance Regulations.
 - b. Food, housing, and laundry at no cost to the individual, and,
 - c. Working uniforms (military fatigues) and cold-weather clothing to be issued by the Agency.

Recognition was made of the possibility of extending these incentives beyond the authorized period as [REDACTED] entered into subsequent development phases.

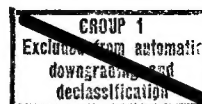

25X1A6b

3. It has been decided that [REDACTED] should be a year-round installation with personnel serving for a period of twelve months. The length of tour has been determined as a result of comparing and studying the costs of two-year vs. one-year tours, the attendant increased support required when dependents are sent overseas, and the length of time which we suppose an employee will remain productive in an isolated area.

4. In view of the importance of this installation, the successful conclusion of the first phase of development and the determination to make this a year-round installation, it is recommended that you approve:

- a. The incentives previously approved for the calendar year 1965 for an indefinite period.
